

Perfect Petzzz

Enhancing Senior Safety & Emotional Well-Being

Safety Meets Comfort

Alert Medical Alarms empowers seniors to live safely and independently through Personal Emergency Response Systems (PERS).

With the addition of Perfect Petzzz Interactive Plush Pets, we now support not only physical safety but also emotional well-being — all at an affordable cost.

Bundle Includes

How AMA PERS Protects Seniors

- ✓ GPS-enabled protection for dementia & wandering
- ✓ Immediate connection during emergencies to prevent harm
- ✓ Fall detection alerts responders instantly
- ✓ Supports clients facing isolation or elder maltreatment

How Perfect Petzzz Helps Emotionally

- ✓ Lifelike breathing and soft snoring for calming sensory stimulation
- ✓ Reduces anxiety, loneliness, and agitation — especially for dementia
- ✓ No feeding, walking, or vet care — easy for seniors
- ✓ Durable, hypoallergenic materials

The Perfect Combination

AMA PERS keeps seniors safe. Perfect Petzzz brings them joy and peace. Together, they create a holistic solution that supports daily life, emotional comfort, and family peace of mind.

Real Impact

“My mom’s Perfect Petzzz kitten gives her comfort, and the PERS gives us peace of mind.”

Training & Support

Our PERS is fully covered by Medicaid waivers or grants. We provide full training for care teams.
